HEALTH & SAFETY GUIDELINES

Summer 2020

Maintain a Safe Environment: The Le Mars Outdoor Pool will implement modifications for the safety of our staff and guests using guidelines from the CDC, IDPH, Red Cross, YMCA of the USA and FVH. As recommendations change we will continue to re-evaluate and adjust throughout the summer, we appreciate your patience and cooperation.

Pool Capacity: The number of patrons will be capped at 150 people.

Chairs: For sanitary reasons chairs will not be provided, you may bring your own chair.

Concession Stand: Concession stand will be closed. You may bring your own drink containers. No glass and no alcoholic beverages.

Locker Rooms: Locker rooms and restrooms will be open.

Social Distancing: All guests are encouraged to follow the six foot social distancing guidelines at all times.

Hand Washing: Please wash your hands often and use the provided hand sanitizer.

Health: If you are feeling ill (fever, cough, shortness of breath, etc) or have been exposed to someone who is ill please do not come to the pool.

Masks: Wearing a mask is recommended on the pool deck. Masks are not recommended in the pool, once a mask gets wet it is difficult to breathe through.

Guests that fail to follow the guidelines and rules will be asked to leave.
