WELCOME MESSAGE

WELCOME TO THE Y!

As a member of the Y, you're part of much more than a place to exercise. You're supporting the values and programs that strengthen your community. At the Y, children learn what they can achieve, families spend quality time together, and we all build relationships that deepen our sense of belonging.

With a focus on youth development, healthy living and social responsibility, the Y is the leading nonprofit committed to strengthening communities. We engage people across the county to help them reach their fullest potential. - Please monitor your monthly bank or credit card statement for any discrepancies. You must report errors within 90 days of occurrence to enable us to make any corrections.
- To update your payment information, visit or call the YMCA, or sign in to your account online via the "My Account" button at lemarsymca.org.

As an alternative to monthly automatic drafts, a fixed term fee is also available allowing for payment of 1 year. You can also choose to pay for 1 month at a time.

RETURNED PAYMENT POLICY

Outstanding balances, resulting from uncollected returned payments, must be resolved before the participant can attend or enroll in any Y program.

SCHOLARSHIP PROGRAM (Financial Assistance)

As a nonprofit, the Y welcomes all regardless of their financial circumstances. Scholarships are available to provide financial assistance for membership and program fees for those who qualify. Scholarship applications are available at the YMCA and online. A completed scholarship application, and verification of income for all incomes in the household are needed to apply. If your financial circumstances change during the course of your membership, you may inquire about adjustments to scholarships. Members receiving financial assistance will be asked to re-verify their income annually.

MEMBERSHIP FEE INCREASES

Each year the YMCA Board of Directors and staff members conduct a thorough review of our finances in order to develop an operating budget for the coming year, which begins January 1. To keep pace with rising expenses, attract and retain the best staff and continue to reinvest in our facilities and programs, we may find it necessary to implement a small increase in membership rates annually.

CHANGES TO YOUR MEMBERSHIP

Change is inevitable, even when it comes to your Y membership. We offer a simple form to complete any changes related to your membership, such as adding or removing a family member, changing your address or updating your bank account information. You may submit these changes at the YMCA or sign in to your account online via the "My Account" button at lemarsymca.org.

CHILD SAFETY

The Le Mars YMCA greatly values the safety of our children and the trust that their parents and caregivers have in us. Our staff and volunteers work hard to create an environment where are youth members and participants can safely learn, grow and play. The prevention of child abuse is something we continuously work towards.

Below are some of the many measures we follow to create a culture of prevention:

- All staff are given background checks prior to working at the YMCA
- Every staff member within the YMCA is trained to prevent abuse, but also to recognize, respond and report it
- Every staff member in the YMCA is a mandated reporter
- The Le Mars YMCA conducts regular sex offender screenings on all members and guests. We consider it of great importance to provide a safe and threat-free environment. For this reason, the YMCA monitors the sexual offender registry. Persons on the list will not be eligible for YMCA membership, program participation, volunteer or employment opportunities with this YMCA.
